How to read this

These are the rates for the per-order commission. Each item is paid at the rate for its own category, so a basket with a dress and a phone in it pays two different rates.

- Commission is worked out on the item price, before delivery charges.
- It is paid once the order has been delivered. A cancelled or returned order earns nothing.
- Once somebody opens your link you stay credited for 30 Days.
- You can withdraw from \$26.36.

Why the rates differ

Commission comes out of what WeafMall earns on a sale, and that is not the same on every shelf. Fashion and beauty carry more room than phones and computing, which is why they pay more here - the same order you will find at every large marketplace, for the same reason.
